

MondoMusica2013 is coming, we look forward to meet you at our new Bottega dell'Archetto in front of the new **Museo del Violino (MdV)**.

We chose to welcome you here, via Claudio Monteverdi 18/A, instead of at the fair, for these 7 reasons:

1 - we are in the center of Cremona [near the Duomo](#)

2 - we open before the fair and close after it (even after dinner)

Opening hours:
26 -27-28-29 sept from 10.00 am to 11.00 pm
monday 30 sept from 10.00 am to 8.00 pm

3 - certainly you'll visit the Museo del Violino and we are right [here](#).

4 - you can try our bows with quiet and discover our new production of bows stamped "M. Lucchi - Cremona"

5 - as always you will find our [LucchiSpecial Horsehair](#) and [LucchiMeter](#) with Special Promotional Offers

6 - we also have a free trail that tells you about how to make a bow, what materials are used and what are the small secrets of a bow maker.

7 - if you commit and with a bit of luck we'll give you this beautiful t-shirt *

(print this page and present it to our shop in front of MdV during the Open Day Workshops)

* while stocks last.
